Managers Message

Dear Residents

Please be advised that the acceptance period for returning residents has closed. If you mistakenly did not accept your offer and you will be returning for 2011, please contact me immediately as all unaccepted offers have now been cancelled.

Monday 18th October - 24 hour quiet time period commences. Please exercise common courtesy and understanding to others during this time as there is a lot at stake and a bucket load of pressure on many around you. I would like to wish you all the best with your assignments, exams and results!!!

Christ College Foundation Dinner was a great success - good food & laughter with very strong evidence of the spirit of the college being alive & well.

John Fisher College Fellows & Sports night attracted great support with music, award presentations, speeches and a great deal of laughter being the order of the night.

Go well through the coming period and over the summer break!

Reminders – Vacating Accommodation at End of Year

- Please inform the AS Office of your leaving date if vacating before end of contract (14th Nov). Please note that you will still be required to pay rent through to the end of your contract – 14th November.
- If you wish to be present when an inventory of your room is completed please make an appointment. Also remember to clean your room, kitchen cupboard, fridge, common areas etc to avoid a cleaning charge. Please dispose of unwanted goods in an acceptable manner and re-cycle where possible.
- Individuals not returning in 2011 need to collect, fill out and submit a bond refund form.
- If returning in 2011 there is storage available. $25 for up to 5 boxes (2010 price and subject to change for 2011). All items must be boxed and labelled. Residents will need to take their boxes to the storage areas at Christ or Fisher Colleges. Storage forms are available from the AS Office. There is limited space available so please pack and store wisely as we don’t want to run out of space & have to turn people away.
- Anyone wishing to extend their stay over summer must advise the AS Office ASAP. Forms available at http://www.accommodation.utas.edu.au/current/departure/residency-extension
- All residents in the Uni Apartments staying over summer / extending their stay will need to move to one of the Colleges – please check with the office regarding details of moves. Fisher and Christ residents are likely to need to change rooms – please check with Admin.
- Please clean out mail pigeon holes before leaving, as all remaining mail will be returned to sender.
- Please ensure that your account is up to date and clear of any outstanding charges before you vacate your room.

- Quiet 24 Hours – Exam Study

- From Monday 18th October to Tuesday 9th November it should be quiet enough to study all the time (day and night). Please remember that even though you may not have exams or your exams may finish early in the exam period, others may not be so lucky. Respect all resident’s right to study quietly.

Please remember that, during this period, alcohol may not be consumed in any common or public area on the residential campus i.e. John Fisher College, Christ College or the Uni Apartments.

Alcohol may only be consumed in the privacy of your own room. Please do respect these arrangements
